CONFIRMATION OF REGISTRATION

Cannabis Device Safety Institute, Inc. has been assigned **Registration Number CT0403952** for a Charitable Organization registration with the Registry of Charities and Fundraisers ("Registry"). This Registration Number is also known as a State Charity Registration Number.

The issuance of registration is based on the information provided by the organization in its Form CT-1 Initial Registration application, which was submitted under penalty of perjury. The Registry may refuse or withdraw the Registration Number, the organization may be required to provide additional information and/or may be subject to late fees or enforcement action from the Registry, if, for example, the Registry subsequently learns the Form CT-1 filing was unauthorized, information provided was inaccurate or incomplete, the organization is already registered, or the earlier registration is not in good standing with the Registry. (Gov. Code, §§ 12586.1, 12591.1, 12598, subd. (e)(1).)

Use the Registry's Online Filing Service at oag.ca.gov/charities/fileonline to complete ongoing filing requirements. If authorized agent(s) of Cannabis Device Safety Institute, Inc. do not already have a user account with the Online Filing Service, authorized agent(s) may create a user account, and will be prompted to provide an email and password. Once logged in, go to the My Registrations section and use **Registration Code** [REDACTED] to link the user account with the organization's registration record in the Online Filing Service. For security reasons, an additional identification number (e.g., Federal Employer Identification Number) will also need to be provided to link the user account and registration record. If there are issues linking the account, submit a support request in the My Registrations section. Keep the Registration Code secure, and only share it with authorized agents that the organization allows to submit filings on its behalf. Under no circumstances can a Registration Code be used to submit unauthorized filings, or to permit one registrant to submit filings for another registrant.

Please note:

- The Annual Registration Renewal Fee Report (Form RRF-1) must be filed annually four months and 15 days after the end of the organization's accounting period. The Registry will honor all IRS extensions for annual renewal filing deadlines, including the filing of the Forms RRF-1, CT-TR-1, and IRS Forms 990, 990-PF and 990-EZ. **After filing with the IRS**, file Form RRF-1 with the completed IRS informational return together with a copy of all extension requests.
- The organization is responsible for notifying the Registry in writing of any change of address and email. Changes of address and email may also be submitted through the Online Filing Service as part of annual reporting.
- If the organization contracts with a commercial fundraiser for charitable purposes or fundraising counsel for charitable purposes, those entities must also register and file annual reports with the Registry.
- Directors of nonprofit corporations are required to adhere to the provisions of the California Nonprofit Corporation Law (Corporations Code section 5000, et seq.).

- Trustees for charitable purposes are required to adhere to the provisions of California Probate Code (commencing with section 15000).
